READ BEFORE SIGNING

In consideration of being allowed to participate in Two Rivers Archery of Monmouth County (hereafter Two Rivers Archery) activities and events, the undersigned acknowledges and agrees that:

Liability Waiver

1. The risk of injury from target archery and the use of archery-related equipment owned by the Two Rivers Archery is potentially significant, including serious injury, permanent disability and death. Range and equipment use rules and personal discipline reduce this risk. None-the-less, a risk exists. [] Initial
2. I acknowledge and agree that the use of archery equipment and activities such as the shooting of bow and arrow by myself or others on club premises are inherently dangerous and high-risk. [] Initial
3. I knowingly and freely assume all risks, known and unknown, including those arising from the negligence of others, and assume full responsibility for my participation. [] Initial
4. I agree to comply with the safety procedures related to use of the archery range and equipment. I will immediately bring to the attention of attending instructor/coach any significant hazard I observe for remediation. I will remove myself from participation until the observe hazard is remediated. [] Initial
5. I, and my next of kin and heirs, hereby release and hold harmless Two Rivers Archery, Elite Sports Performance Center, and their officers, instructors/coaches, volunteers, members, and guests with respect to any injury, disability, death, or loss or damage to person or property to the fullest extent permitted by law. [] Initial

Consent to Touch for Coaching Purposes

It is sometimes necessary for the coach/instructor to touch a person in order to demonstrate proper archery technique (e.g., stance, back tension, coiling, angular motion). The body parts typically touched to help the archer understand static positions and dynamic movements during the shot cycle include the head, neck, shoulders, arms, wrists, hands, waist/hips, chest, legs and feet. I consent to being touched for training purposes. [] Initial

Sports Person Like Conduct

I understand that my participation in Two Rivers Archery activities is contingent upon my adherence to the USA Archery Athlete Sportsperson Like Conduct Policy. I have read a copy of this policy as provided to me. I agree to follow this policy of conduct. [] Initial

Photo Release

Photographs and videos are routinely taken at archery practices and events. I release the use of my image for the purposes of recording practices and tournaments and promoting Two Rivers Archery. I agree that the images of me that are taken during Two Rivers Archery activities may be used without compensation or additional permission. [] Initial

I have read this release of liability and assumption of risk agreement, fully understand its term and that I have given up substantial rights by signing it. I sign it freely and voluntarily without any inducement. I agree to follow the USA Archery Athlete Code of Conduct. I also agree to use of any photo or video of me, my family or guests occurring from participation in an archery activity or event.
